

“OCCULTIC PRINTS— THE PAISLEY PRINT”

*“That’s where
the pattern
came from
daughter, a
parasite. This is
their mode of
affliction.”*

Jesus Christ

The **Paisley Print** is used in witchcraft & has demons attached to it. We’ve seen this print widely worn but most don’t know the demonic association attached to it. So, I am moved by the Lord to reveal the nature of the print. The Lord revealed to me that the pattern is that of an “amoeba.” An amoeba is any of various one-celled aquatic or parasitic protozoan of the genus *Amoeba* or related genera, having no definite form and consisting of a mass of protoplasm containing one or more nuclei surrounded by a flexible outer membrane. It moves by means of pseudo pods. The amoeba was first discovered in 1757. Early naturalists referred to Amoeba as the *Proteus animal-cule* **after the Greek god Proteus who could change his shape.**

The name “amibe” was given to it by Bory de Saint Vincent from the Greek amoibe’ meaning “**change.**”

Those practicing the occult use this print & they pray satanic or demonic prayers over it in order that those who wear it be sickened & their mind be hindered.

The Lord told me that these “parasitic” designs spiritually enter inside the body of the one wearing the clothes. God gave me a vision of a person’s body with “see-through like” amoeba or parasites moving through the blood.

There are many designs in fabrics that are used to block the mind, cause sickness or even death to those who wear them. Stay away from “skull” designs, they are now being camouflaged to where the design can’t be seen far away, but up close. This also goes for disguised wording on clothes such as “Die, Kill, Pain, Death” & occultic symbols & numbers placed on clothing. Be mindful of clothing that has too much going on or there’s a lot of various designs, or vivid designs & words in other languages.

In voodoo, beautiful-appearing designs are used to open the gate for demons to enter into their worship. These designs are usually drawn on a hard-surfaced floor. I’ve seen these filigree designs on earrings, bracelets, and shirts in popular stores.

ANCIENT PAGAN RITUAL—HALLOWEEN

halloween actually started out as *samhain*, a ceremony celebrated among Celts and their ancestors beginning in 300 BC in Western Europe. It marked

jack-o-lanterns were used by Celts to scare away evil spirits

the end of the winter solstice as well as a prosperous harvest. According to the tradition, this was the one night a year when spirits were free to walk the earth. Origin suggests that the Celtic families would hide in their homes in fear of these spirits or coming into contact with them. Many symbols that are used today, such as the jack-o-lanterns originated from an Irish folktale, “Stingy Jack,” a greedy alcoholic who tricked the devil into climbing a tree and then trapped him by carving a simple cross into the trunk. The devil cursed “Jack” and he was forced to walk the earth for all eternity holding a hollowed turnip with a light inside. **Spirits play tricks on humans.** The Celts believed that the connection to the supernatural was strongest on this evening and that the veil between the living and the dead was weakest. Many feared that the spirits of the dead (ghosts) could penetrate this veil, roam the earth, attack humans, play tricks on them, and cause supernatural occurrences. **Scary Costumes & Masks** were used by the Celts to avoid demonic persecution, disguising themselves as one of the demons. They believed that by looking like a demon, they could convince a real demon that their village was already possessed by demons, and the real ones would pass on to another village. Furthermore, they believed they would be safe by “blending in” with demons that were walking their town and thus be unnoticed by them. **Treating the spirits well.**

The Celts believed the spirits of people (ghosts) who died the previous year could not go to their final resting place until they were “treated” with wealth, food & drink, either to provide for themselves in the afterlife or to offer to the god who ruled the afterlife. From this act is where we get the giving of candy in America during halloween. The Celts would seek to pacify the spirits and send them away to the netherworld by “*treating*” them with these items. They feared that if family members didn’t treat a spirit well, it would return to “*trick*” or haunt them. Thus giving to the phrase, “**Trick or Treat.**” **Going door to door.** Celtic priests lit bonfires on this night in order to ward off evil spirits and to rejuvenate the sun. They believed that this act was very important because as the power of the sun diminished with winter, life itself might be coming to an end. Concerned with survival, they went door to door asking for donated materials to burn. **If you are a Christian,** you can’t deny that halloween is derived in witchcraft & divination which is an abomination to the Lord God. God condemns all forms of spiritism (the attempt to contact or interact with the dead), Deut. 18:10-11 states, “Let no one be found among you who sacrifices his son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead.” See Lev. 19:31, 1 Sam 28:3, 1 Chr. 10:13. The Holy Bible states that God doesn’t care about our desire to uphold pagan customs, we are not to be involved with them & we are to do away with them.

THE WEREWOLF SPIRIT

Several years ago while in prayer, God gave me this vision: There was a young man in his early 20’s, who was deeply hurt, rejected, & angry. He was angry at those who rejected him & he was unhappy with his looks. He was under 5’0” & fairly frail. He felt that he had something to prove to people & by any means necessary he was going to do it. It was night-time & this man was outside speaking an incantation

while gesturing with his hands. He was alone as there was a German Shepherd attached to a short, thick chain which was embedded into the ground. This dog’s nature was normally kind & playful. But at this time this dog was fearful as he moved about from side to side frantically while barking. The dog was about to be a sacrificial offering to satan. And after killing the dog, the man was to eat parts of it.

As God showed me this, my intercession grew stronger as I prayed for the life of this young man & this sweet dog. When suddenly, I saw this young man standing face to face with himself. It was to be his demonically possessed self of the “werewolf spirit” standing right before him. I saw horror grip his face. My Lord allowed him to see himself demonically possessed by the werewolf spirit that he was praying to satan for & what he saw scared him. With the werewolf spirit, he was still short, but grotesquely muscular. His face was hideously distorted with small amounts of hair. His eyes were of pure evil & his mind was insane.

The young man began to back away from the vision of his possessed self when he suddenly unattached the dog’s chain & they both ran away safe & unharmed.

satan is real and so are his spirits and demons and those who serve him. satan has some power but only God, in the name of Jesus Christ has All Power! If you’ve been involved in satanism, witchcraft, or the occult and you want to be free, God loves you and unlike satan, He is forgiving. Be free in Jesus.
